

Kaduna Rice Industry Supply Chain Development Program

Funded by

A Micro, Small and Medium Enterprise (MSME) Nigeria Project

Implemented by

Bayou Farms and Industries Limited

Kaduna Rice Industry Supply Chain Development Program

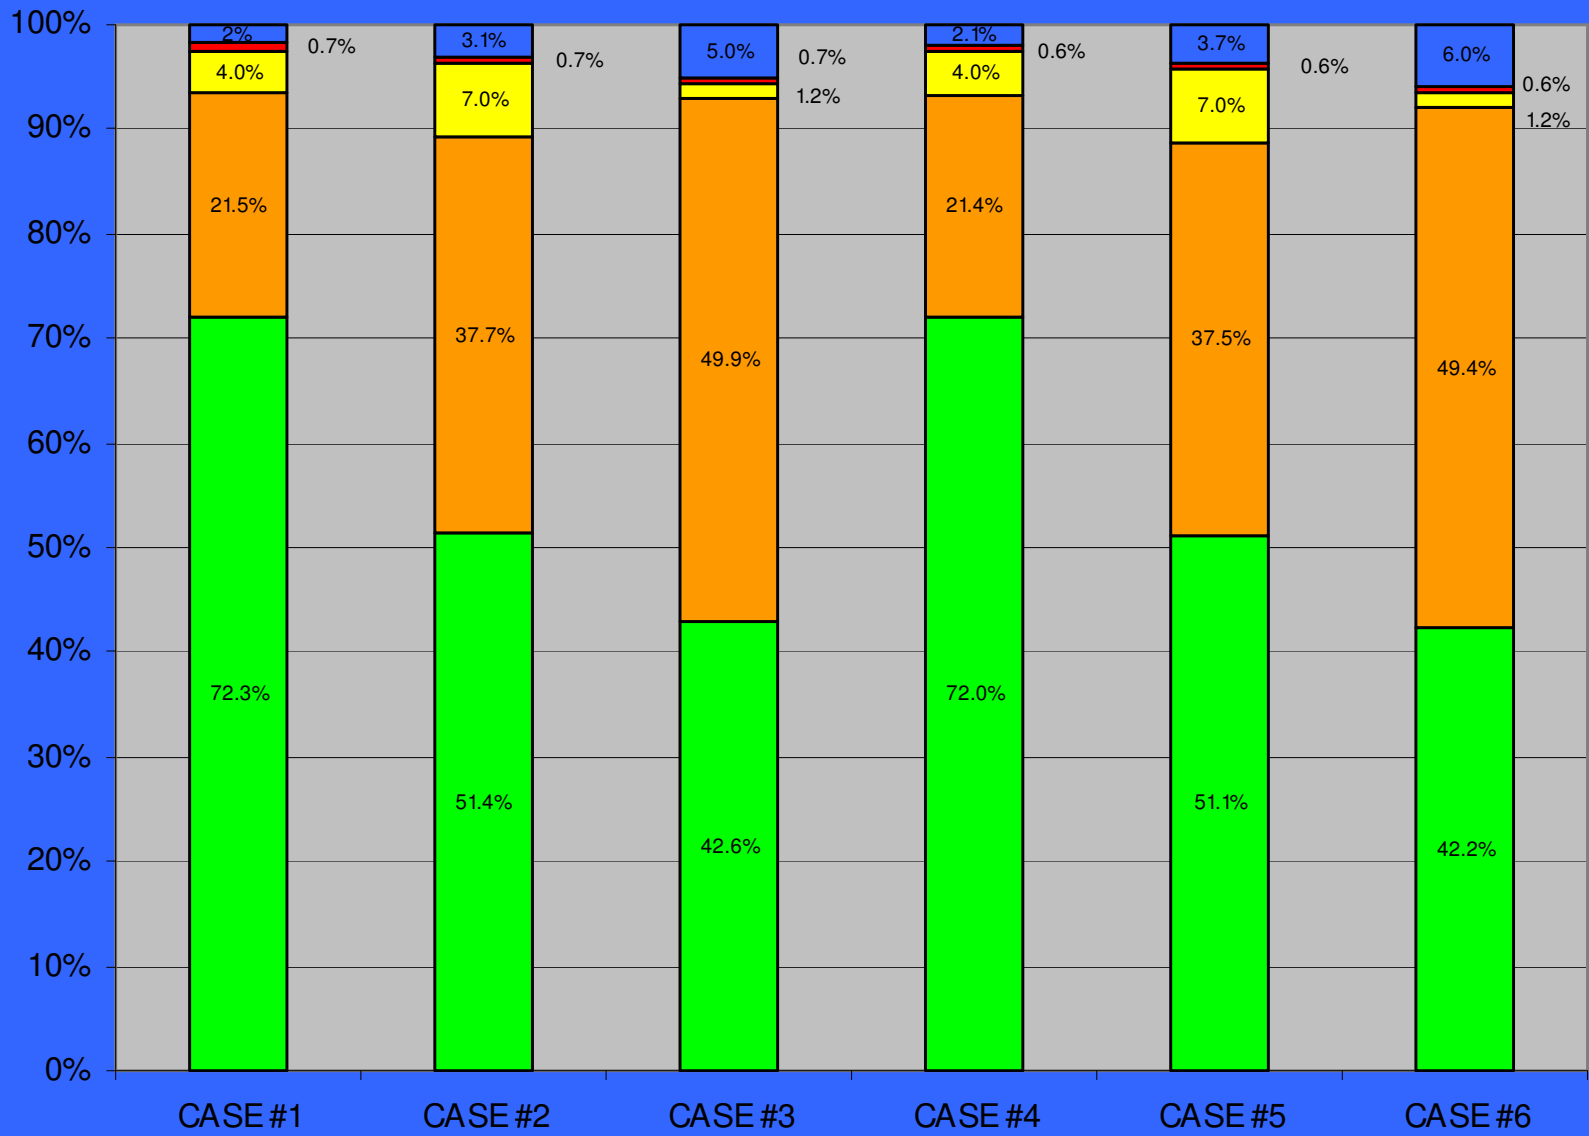

Project Mission

Develop the Rice Industry
Promote Economic Development

Interventions

Land Preparation and Planting Systems
Rice Growth and Development Systems
Rice Harvesting Systems
Postharvest Handling Systems
Rice Processing (Parboiling & Milling) Systems
Rice Marketing Systems

Bayou Farms and Industries Limited

- A. LAND PREPARATION & PLANTING SYSTEMS
- B. RICE GROWTH & DEVELOPMENT SYSTEMS
- C. RICE HARVESTING SYSTEMS
- D. POSTHARVEST HANDLING SYSTEMS
- E. RICE PROCESSING (PARBOILING & MILLING) SYSTEMS

Bayou Farms and Industries Limited

Kaduna Rice Industry Supply Chain Development Program

Interventions

Land Preparation and Planting Systems

Mechanizations for Land Preparation
Irrigation
Improved Seed Varieties

Rice Growth and Development Systems

Input Applications
Bird Netting

Rice Harvesting Systems

Mechanization (Harvester & Thresher)

Postharvest Handling Systems

Storage Solutions

Rice Processing (Parboiling & Milling) Systems

Parboilers
Drying (Rakes, Floors, Mechanical)
Combined Rice Milling

Rice Marketing Systems

Rice Packaging, Branding & Marketing

Kaduna Rice Industry Supply Chain Development Program

Instruments of Intervention

Technical Assistance
Business Development Service Providers
Public Private Partnerships

Instruments of Measurement

Rice Value Chain Development Plan
Monitoring and Evaluation

Kaduna Rice Industry Supply Chain Development Program

THANK YOU!
